Miscellaneous - Golf

12-volt Power Point

Power your portable fan, cell phone or other electric device. This marine grade weather proof power point is designed to mount into the passenger glove box of Club Car vehicles. Includes all mounting hardware, wiring harness, instructions and safety decal.

Battery Capacity Indicator

This dashboard L.E.D. indicator uses a series of bars to represent the charge level in the battery pack.

101815609 48 volt

101815602 36 volt

Bell® Compass, Clock and Thermometer Dash Unit.

Made of durable ABS and powered by LR-41 watch battery (included), this unit offers a digital clock, plus analog compass and thermometer.

Club Car 5-panel Mirror

An easily adjustable, panoramic rearview mirror which has become a customer favorite.

AM10092 Fits 2000-present Club Cars with ICS (2000-present DS) canopy design

AM10104 Includes additional mounting bracket to mount to standard canopy

AM10103 Replacement bracket for non-ICS top, 2 required

AM10688 5-panel mirror hardware replacement kit

Coleman® CartCat Heater

This advanced design heater utilizes platinum catalytic technology to produce heat without an open flame. It produces 3000 BTUs of heat and will run approximately 8 hours on a standard 16.4 oz. disposable propane cylinder.

Cool Breeze® Canopy

Do you want to air condition your golf car? While not a true air conditioner this unit is an evaporative cooler that can lower the air temperature as much as 25 degrees F. This unit uses a high speed fan to move air across a pad that has water pumped on to it. As the water evaporates the air is cooled. This technology works best in low humidity conditions, but can help in medium to high humidity environments by loading ice into the water reservoir.

Courtesy Cup Ashtray Kit

This drop in ashtray accommodates both cigarettes and cigars. Available with an anti-rattle insert or by itself.

102363402 Cup, insert, and instructions

102361401 Replacement cup

Deluxe Overhead Stereo Console

Features include - Black powder-coated aluminum chassis. Dual movable map lights. Cigarette lighter/12 volt power point. Pioneer AM/FM stereo CD receiver (45 watts x 4 channels). Detachable faceplate with carrying case. CD/CD-R/CD-RW compatible with anti-skip mechanism. LED display with clock, station preset memory, and equalizer with presets. 2- 6" Pioneer polypropylene weather resistant co-axial speakers (160 w). NOTE- On 48 volt cars use of a 48 to 12 volt DC/DC converter is strongly recommended for FM sound clarity and performance. Electric vehicles may cause AM radio interference. For 48 volt DS chassis vehicles use DC/DC converter #102357501. For Precedent models use DC/DC converter and harness #102553101, add #102527601 if headlights are installed.

AM10930 Fits 2004- Present Precedent Club Car

AM50551 Fits 2000-present Club Car DS model, as well as S910 and L310 Club Car custom models.

AM50553 Fits 1982-2000 Club Car DS model.

AM50552 Fits 57 Chevy and C440 custom models.

DS Golf Car Basic Light Kit

This basic light kit for golf cars consists of head lights and tail lights (No brake lights), a full wiring harness, light switch assembly and instructions. The kits are available in either our present size headlight/bezel or a shorter style headlight/bezel for easier installation. NOTE- 48 volt cars will need a voltage reducer (#101810801) or DC to DC converter (#101955502).

AM10101 Kit with present design headlights

AM10102 Kit with short design headlights

AM10099 Replacement wiring harness
